# Antique Tractor Pull To Be Held September 16th

An antique tractor pull will be held on Saturday, September 16th at 2:00 p.m. at the Okawville Fair.

Tractors of 1945 vintage and older will be permitted to pull. Fluid in tires will be allowed, however, no add-on weight may be permitted. No tractor may be entered in more than one class. Contestants must furnish their own clevis. Maximum drawbar height is to be 18 inches, maximum tire width is 14 inches, first four classes. No shaved tires.

Tractors should be on the grounds by 1:00 P.M.. There will be six classes - one plow, light two plow, two plow, light three plow, three plow, and four plow.

The committee's decision in placing tractors in the proper class will be final. Trophies will be given in each class.

We ask all owners of antique tractors to come and bring their tractors and join in the fun. Make a point to be in Okawville on Saturday, September 16th at 2:00 p.m. and see these tractors of yesteryear in action. Bleachers will be provided for the comfort of the spectators.

For further information, call Bill H. Riechmann, 243-6150. Other committee members are Kenneth Jacobs and Bill Riechmann.
